Today is Alexanders last day at Kidzbiz so just wanted to pop you a note to say a HUGE Thank you for caring for him for the last 2 years.

I was sad when Austin finished with you guys, but this is one step further..my baby is now going to Kindy! Eek!

Please could you thank every single girl there for the care and love they have given my children. A lot of the girls have now moved up to Jindalee so could you pass on my thanks to them too.

Alexander comes home everyday bursting to tell me everything he has done. Your girls have been an integral part in making him the boy he is today. I am so pleased with his progress.

Kidzbiz has been amazing, you have a fantastic team there.

We will all miss you, and I know for years to come Alexander will point out every Kidzbiz car, bus and person wearing t-shirt to me as we drive around Ocean Reef!!!

Keep up the good work. I will continue to recommend you to people as I feel lucky that we found you!

Kindest regards and a Merry Christmas to you all.
