Dear Nicole / Kidz Biz Beaumaris

I am writing to inform you that Noah and Joel Smalley will be leaving Kidz Biz Beaumaris at the end of January. Their last day at the centre will be on Wednesday 27 January 2010.

Noah will be moving into Pre Primary at Currambine and Joel will be attending a new day care centre closer to Noah's school.

Noah has enjoyed his 4 years at Kidz Biz and has made some great friends. There have been some carers who he has had particularly special relationships with. Carers such as Tracey who was with him in babies, Adibah, Megan and Chloe and many others have really made his time at the centre a happy one.

And in the short time Joel has been attending Kidz Biz the staff in the babies room have helped him settle into day care life. Joel started much younger than Noah and I am very grateful to the staff, in particular Lauren and Wendy, for trying to keep him in his routine and taking really good care of him. He has been very happy there.

Thank you to all the staff at Kidzbiz and we wish all the best for the future

Regards

Abi Smalley
